Admission and Withdrawal

Homeless Students

The Board of Education is committed to providing equal access for all eligible homeless students to a free, appropriate education in the same manner as is provided to other District students. In carrying out this commitment, the District will identify and assess the needs of the District's homeless students; provide for the placement of its homeless students in the school of best interest; provide access to the District's programs; and appoint a homeless coordinator. The Superintendent will review all District policies to determine whether they act as barriers to the enrollment of homeless students. Special attention will be given to policies regarding transportation, immunization, residency, birth certificates, school records and guardianship.
